

Anointing of Christ Jesus

Psalm 18:30 Comfort of the LORD's Protection

**The Blood Speaks for
The Righteous**

all right all right so there we go so we
lost like three minutes
uh and it's working now
all right so we will i would go on over
to uh
this is why i don't try and do stuff
within my phone uh so anyway
we were moving over to uh we we read uh
psalms 18 and 30
and what i was trying to read to you
is uh
ah oh buckler i was trying to read to
you the understanding of
buckler and so the trans the hebrew
transliteration of buckler is
uh magon or
it is a shield that is the
small one or buckler
it uh figuratively figuratively a
protector
also the scaly hide of it of the
crocodile
armed buckler and
uh it is a it is a defense
a ruler a scale a shield
so it's a a defense a ruler a scale a
shield
and um it's gotta be the guard
it's all good um and so anyway
um god is our shield in our defense
he is our buckler and before i would i
would demonstrate to you
like a shield and now when i have my
knife and i'll be like yeah
but god um uh i looked it up
and it is a shield and a and a defense
and so uh and what i got what i
understood is that
it it covers you know you ever seen
the movies where they put up this like
light and it looks like a shield against
and it looks like an electric fence like
we have those dog fences and
like it's like an electric fence and it
it blocks the dog from leaving a yard

god ain't a dog and you ain't a dog but
what i'm saying is
he saying that his word is like a shield
around you
and it covers you not just the front
parts of you but the hinder parts of you
as
well it covers all around you because of
the circle around you as well as
overhead and i have experienced this
myself and and he says in addition
to covering you
i also book against the enemy
against the the a buck against evil and
i'm
pressing up against it knocking it out
of the way so he ain't just pressing
going
he's going pow move pow move
pow move because the enemy is going to
keep trying to come at you and god
instead of going
like like tennis
but hard like real hard and so
because um um i
i ain't saying that um
glory to god uh
okay so psalm second samuel 22 31 says
as for god his way is perfect the word
of the lord is tried
he is a buckler to all of them that
trust in him
and then we move over to uh proverbs 2
and 7 it says
uh and this is it says uh he layeth
up sound wisdom for the righteous he
is a buckler to them that walk uprightly
um and when i look that up and i'm
almost concerned about even going to
look that up but what i was saying
is that the lord gives us wisdom he
gives wisdom to the righteous
and so um lord the lord gives us wisdom
and and for god has not given us a
spirit of fear but of power over the
sound

okay so
okay say look messing around
um let's see here
uh for who for who is god save the lord
and who is a rock save our god
god is my strength and power and he
maketh my way
he maketh my feet like hein's
feet and setteth me upon my high places
he teaches my hands to war so that a
bowl of steel is broken by mine
arms thou has
also given me that the shield
of thy salvation and thy gentleness
have made me great
thou enlarges my steps under me
amen glory to god
so that my feet did not slip god makes
sure that we don't
fall into diverse uh
things and holes when you're walking
when you get safe okay
when you are not saved now this is an
image that i saw
and it was it was for me i still don't
understand all of it i'm trying
but what this is the part that i
understand and so
um see i'm i'm look at the reading
jeremiah 23 i'm like a little concerned
about saying i had a dream
uh because this ain't a prophecy to
y'all i was working out some stuff
i was asking god questions and sometimes
when i ask him questions he'll give me a
dream
but i ain't saying this is what he said
i'm saying i
you know i had a dream and i'm trying to
the dream came to mind when i was
reading this is what i'm saying so look
look lord
father holy spirit jesus
i ain't saying thus saith the lord i'm
only saying
okay see now i'm hearing another thing

and i don't even know if that's you but
i'm gonna say it anyway
do not hurt me before
when i was reading second samuel 31
i heard that the reason why
the enemy while god has to buck against
the enemy
uh why why he's fighting the reason why
he's fighting the enemies because the
enemy don't have respect for him
which is through the reason why there
was a war
in heaven because seeing overcame
lucifer the second in charge which is
crazy
second in charge man why are you gonna
be fighting the lord who you know who he
is and you're gonna fight god your
creator you you know who he is and yet
you're gonna fight him
that's a loss of respect anybody ever
lost respect for their parents thinking
that they could whoop their dad
or they can whoop their mom one day
i saw my sister and i did not think that
she was going to do this but
i saw this and she was so angry
and she went up against grandmama
she was like we was like seven
i think six or seven maybe i think it
was about six
about seven about seven or eight years
old because we had those blue jean
jackets i had a blue jean jacket anyway
and so he's about seven years old right
and
my grandma has said something to her and
she was angry but she was angry about
something else and i could tell
and i think it was god like giving me
revelations whatever
and so i could tell that she was angry
about something else but it was the way
that her grandma had said something to
her and she was kind of like
bucking against what my grandma had said

and my grandma was like recognized this
spirit of anger that was trying to rise
up in her and so her anger was directed
at the wrong person i only remember what
was being said
i just know my grandma said you know i
want to do xyz and she was like
no my grandma said
what what did you just say to me
and so she got up in her face now she
had to be like
i don't know 50 something 60s
i don't know how she was i remember
uh so anyway i don't even know if she
told me her real age she might have
anyway
and so she she she got up in my sister's
face and she like
who do you think you're talking to this
is you know because it's kind of fuzzy
in my mind
but the whole i'm reading the atmosphere
of her
because they going against each other
and then it was so crazy because i was
not used
to hearing or seeing anybody talk back
to grandmama
or talk back to my mama and so she tried
the same thing with my mom
who's much taller than her and i'm going
oh you in trouble
because the next thing i hear is go get
the switch oh
what no no
see if i tell her no then i'm gonna get
in trouble for telling her no
i don't want her to get i want myself to
get hit but you know you can't talk to
mama and grandma like that you know and
i'm like
i'm like and so
she finds a belt i'm like because
i didn't want to go get the weapon that
would cause her to get her butt beat
even though she needed a butt look for

you know but she she should have used
different words and so i'm thinking
the enemy god had to let the enemy know
look
not only are you not taking this child
so
in my in my understanding my grandma was
saying
devil you can't have this child
because the anger anger anger and
and hate and and and rebellion comes
from the enemy
and so when my grandmama and my mama
got up in my sister's face they were
telling the devil you can't have her
you cannot have her no i don't
you can't have her and so when god
bucks up against the enemy he's saying
you cannot have
her you can't have him no
one day i told you about the story i was
i was
in uh elgin illinois living in elgin and
the uh and the enemy had came up on me
in my sleep because every morning i
would wake up i had this thing i would
wake up and i would pray
and get up i would get up when it was
dark outside i was praying i just loved
it
and so the enemy caught me by surprise
before i i i could wake up and
he started he was he had raised his hand
up to
pound me and as soon as he came into the
room he raised his hand up to
pound me god had
raised up this shield over me and it
it felt like a glass dome
and all i know is i awoke
i awoke to hearing boom
boom boom god became my
shield against the enemy
i kid you not it sounded if you have
ever
been behind a glass and somebody's

pounding on a glass
i don't recommend doing this because you
make brick the glass and cut your hand
but if you've ever pounded on a door or
pounded on glass or pound it on anything
that shakes a little bit or i should say
not shake it it's so strong
i guess it did shake it didn't like
shake shake but it like
made that quivering noise so when you
hit something like
boom boom and so anyway it
it's um even try take a spoon
you know go get a spoon and if you can
find like a metal bowl like a mixing
bowl
and and lay the bowl on a table and just
beat on the bow
and that's kind of how it was because it
was this hard
shell the the presence of god became
like this
hard unbreakable shield like tight like
stronger than titanium
god is stronger than titanium and and
and
he and the enemy was pounding on me
pounding on my back he was trying to
kill me
and then and and god raised up a shield
over me
and the more and and and the more the
enemy got angry and angry the more he
he hit this like every blow was harder
and stronger every blow was harder and
stronger he was trying to kill me
and god raised up a hedge of protection
over me
he ra he will bless the righteous
god became my shield and my buckler in
the moment that i needed him
he did he became my shield and my
buckling
proverbs 2 and 7 says he layeth up sound
wisdom for the righteous he is a buckler
to them

that walk uprightly
fear will keep you from hearing wisdom
fear will keep you from hearing wisdom
i'm reminded of a time when i when i had
left uh i was
let go at a chase bank i found out
uh i was let go erroneously and i didn't
see the letter
until it was too late that i was
supposed to come back
um and i was too ashamed to go back
because i was all man i didn't i didn't
see this and now
i was just ashamed thinking oh man
she's probably mad at me because i
didn't see this probably thought that i
was rebuking and i wasn't rebuking her
i just didn't see it i didn't see the
letter
uh and so um
i told y'all the story before they had
ended up saying stuff that i had stole
eight thousand dollars
and um it wasn't my boss or somebody
else that had ended up getting fired
and the truth came out uh and then after
the eight thousand dollars and then
suddenly my account became overdrawn by
five hundred dollars taking everything
that i had and so
it was just a constant battle um
with the bank uh who i had known since i
was a little girl
and um i just i just kept trusting god
and to and i wish that i hadn't seen the
letter because i i just still had
income coming in um and things have been
quite difficult but god has always
supplied i've
i've not been um without food not been
out without water
and not been without a place to lay my
head and so god has provided
for me and i thank the lord for that and
so anyway
and these people were coming at me uh on

the job because i was a christian
because i am a christian
um no matter how kind i would be to them
they kept coming at me
um they would steal my bonuses and steal
my money uh steal my
raises and steal anything any gift that
i had gotten
they would take it let me just take it
and uh the only thing they would uh
they they would allow me to do was when
i would talk to a customer is they would
let me
uh tell the customer about jesus at
first they said don't do that
and i said well you know they ask they
need it and you know i they they've
eventually figured out that the more she
talks about god the more they
pay and so what i would do is i would
tell people about the goodness of the
lord
and i would tell them you know god wants
to want you to be able to eat
and and i would just be kind to them i
would treat them the way
i wanted to be treated is what i did and
so they would say well you know i only
have so much money so okay
cool i said well you know look after you
pay all your bills you get your rent
you got your you know you're renting
your mortgage you got your uh car notes
and whatnot and all the
your renters insurance and all those
bills and you gotta buy some clothes
you know you gotta you know have some
fun with your family i even put in there
having fun with your family because
sometimes people won't pay a bill
so they can have fun saying you know
after you have fun with your family and
you all you got enough money
to pay for gas for and you know pay for
little incidentals in your emerge and
you put some money away to save

after you've done all that what do you
have left
and so i would have them to write it
down what do you have left
after all that and they would say well i
only have this amount i'll take it
if that's what you're telling me that
you can pay every month or every and
sometimes i'll tell them
you need don't worry about paying it
every month can you do it every week
because sometimes it's hard for people
to do it by the month i said let's just
do this every week
you pick a day that is good for you you
know for sure you
that money will be there and you will
not touch it and you will not withdraw
and i would tell them
set your account so that it does not pay
if the money is not
there if the money is not there then
that count will not
pay and you will not be overdrawn and
you will not have that fee
and you will you will not have that
burden upon you
and so i will give them tools and
instruments to help their lives
these things that are readily available
to them but they don't know
to put it on or they didn't know that
they should
and so i would tell them just because an
account overdraws and you're able to buy
groceries but see that groceries for 30
dollars will end up costing you a
hundred dollars
so it would be better to not buy that
grocery for thirty dollars because you
don't have the money in the bank
and only to spend the fifteen dollars
that you have the money in the bank for
because fifteen dollars will only cost
you fifteen dollars but an
extra 15 which is 30 dollars will cost

you a hundred dollars because
you don't have the 38 dollar fee to pay
for the overdraft
you don't have the fee to pay for the
the not for for the account
being below zero because those are two
separate fees there you go that there is
almost a hundred dollars right there
and then every day there's 25 for every
day that you allow that account
to be over and then you got to go get a
loan from somebody else
to pay that fee and so i would treat
them the way i wanted to be treated
and i had when they let me go
there were still people paying up to
three years
after i left because i treated them well
and people i heard that people would be
asking for me
and rather than hiring me back they
wouldn't have people to pretend to be me
which is wrong and the people figured it
out because god gave them discernment
i'm assuming and so anyway
all they had to do was do what i was
doing and what i was doing was extending
the love of god
unto them i wasn't saying thus save the
lord
i just the bible is the bible you ain't
got to say thus saith the lord read the
scriptures
give them a summary of what you
understand you see what i'm saying
the lord is your shield and your buckler
he is your defense and so i treated them
the way i wanted to be treated
and in genesis 15 1 it says after these
things
the word of the lord came unto abram in
a vision
saying fear not abram i am thy shield
and thy
exceeding great reward and so god will
reward you

when you trust in him and so what i was
doing i was
trusting in god i was trusting in god
now on that job a lot of people got
fired because they were stealing
from the people and from the company
from the customers
and from the company and some of them
stole so much that they could not be
fired
they had to work off what they had
stolen
and lord is i was i was trying best to
try my best to get a bonus but
they were stealing it all and even in
and they would take my bonuses
to knock them up to the next tier of a
bonus
so they would get a bigger bonus
and i would get nothing because they
want to go to the next
tier listen you
managers that are there they would
torment me and say well you're not doing
good enough and i'd be like well
i should be because the payments are
coming in i come
and then i come to find out person told
me they're stealing your bonuses to bump
somebody up to the next bonus
and i'm like why are you doing that stop
and i had no
control over what they were doing the
only thing i could do was pray and so i
kept praying and praying and praying and
suddenly
some people got fired for doing this but
they never stopped stealing my bonuses
so i said okay lord look they evidently
ain't gonna stop stealing my bonuses
and then i could do about this and then
they wouldn't let me move from it up to
from that department to another
department so i said okay well
only i can do the lord is my shield so
then

only they'll let me do is preach the
gospel
so i did not get the bonuses
on the job but i did win the hearts of
the people
to god and got to the point where people
come to me and ask me to pray for them
so i got the hearts even though i didn't
get the money
that was do me and but i believe that
god will give me that money that they
stole
and he's gonna multiply it times seven
and the reason why he's going to
multiply at times seven
is because anytime the enemy steals from
you he must multiply it
times seven and i have not gotten that
money back
now i'm not upset with chase i've been
with chase since i was a little girl
i'm not even upset with the people
because they took on a spirit
a deception and greed that was of the
enemy
and so this is a thing when people come
when people hurt you and people steal
from you
don't pray that they'll lose a limb or
they'll lose an eye or something like
that
or don't even pray that they'll lose
their job god's will be done let god's
will be done
out this is the thing i pray for people
i say lord god i forgive those that have
trespassed against me
i forgive them because remember god is
my shield and my buckler
i forgive those that have trespassed
against me and then i say lord god
save their souls father i want you to
save their souls
save their lives i want you to save
their family their children their
offspring their neighbors

save all of them all of them involved
save the whole family
don't let them go to hell because if
they're stealing and lying and cheating
they're already in hell
they're satan ain't got to do no more to
them because now they running they
running the show
as far as running sin
they already took over running the sin
and so now they need deliverance from
evil
so ask god to deliver them save their
soul and deliver them from evil
and show them how to prosper without sin
prosper god's way and when people
prosper god's way
they never got to look over their
shoulder and see who's looking to see
what they stealing
they never got to steal from their
neighbors or from anyone
they ain't got to take on the the the
lives of satan
not ever when you trust in god to
provide for you
and so those are the things that i've
prayed for them and if they're listening
i'll forgive you they even was so far as
to say
uh to um a gang of
gay women came at me just because i was
friends with a gay woman i didn't even
i'll i'll be honest with you i did not
know she was gay at first
i didn't that would have that's still
when i've changed my mind because
i was just trying to be friendly to it
remember i demonstrate the friendliness
of god
to everyone i demonstrate the
friendliness of god to everyone
i grew up with men and a few women
that i'm just now finding out that they
were gay that they had believed that
they were gay

they proclaimed to be like gay or people
that
are bisexual they sleep with both male
and female
i ain't judging you i'm just saying i
grew up with him and i always
demonstrated the love of god one of my
friends said to me one day and i don't
even know realize that she was walking
at me she said you know
you walk up so straight your posture is
so straight
and she said another thing you know what
you're really kind to people
and after i had gotten saved and she had
went to church her whole life but she
you know she went through some problems
and she was seeking god and seeking
answers and she came to me and she asked
me something
and i just gave her what what i was
seeing what i understood
she needed god is what she needed
and so this is one of the one people one
of the people would always say to me
you know what you got something
different about you
so when she would talk to me she would
always look at the positive she would
not look at the negative
she will always look at the positive
even even if she was high
or drunk she would and i don't even know
how she even did this
because everybody else when they get
high drunk they look to the negative
but whether sober or drunk
she would look to the positive she would
always speak positive to me
when she would look at me she would see
me through the eyes of god
i kid you not it was it was sometimes as
if she was suddenly sober
up in my presence
and so i say all i like to say is god
loves you

he is your shield and your buckler
deuteronomy 33 29 says
happy art thou o israel who
is alike unto thee o people
saved by the lord the shield of thy help
and who is the sword of thy excellency
and thine enemies shall be found
liars unto thee and thou
shall tread upon the high places
god will lead you out of trouble
he will lead you out of trouble and he
will squash your enemy
you you should begin thanking god as he
has blessed you
and deuteronomy 16 and 10 it says
thou shalt keep the feast of weeks unto
the lord
thy god with a tribute of free will
offering of thine hand which thou shalt
give unto the lord thy god according
as the lord thy god have blessed thee
thank god for what he's done for you
that is
worship unto the lord thank god as he
has
blessed you you can't go wrong there
sometimes we worry that we're not saying
the right things to god that we're not
honoring him as we ought to
easy way to do it just start thanking
him
as he blessed you are you alive yes you
are
are you saved well amen have you been
healed glory to god
the lord set you free hallelujah
has the lord bless you with all your
needs and your wants
and the desires of your heart has he
made you rich because he made jesus rich
glory to god
has you has he given you his power
hallelujah
has he made sure that you don't have a
spirit of fear yes
lord has he given you a sound

mind hallelujah glory to god
god has given you salvation a sound mind
a sound
body glory to god giving you discernment
those are many things to thank the lord
for
you should see the way god sees not only
see other people
the way god sees them but see you the
way god
sees you
some people think that not that uh ha
not having a thorn in your eye is only
so that you can
look at other people
but it's so that you can look at you and
see you
through god's eyes first samuel 16 and
7 says but the lord said unto samuel
look not on his continents or on the
height of his stature because i have
refused him
for the lord see if not as man seeth
for man looketh on the outward
appearance but the lord look upon the
heart
glory god check this out
god went through a whole he went through
all of samuel's brothers
i mean all of david's brothers he went
through all of david's brothers and
finally found david and he said yo
this one this is the one he's telling
samuel
um in verse 11 he says uh
and samuel said unto jesse are
here all thy children and he said
there remain of yet the youngest and
behold he keepeth the sheep
and samuel said unto jesse sin and fetch
him
we will not sit down till he come
heather
and he sent and brought him in now he
was
ruddy and with all of a beautiful

continents and a good lead to look to
and the lord said arise anoint him
for this is he
for this is he
god will set you apart
one day i had asked god i said lord god
use me i want to see like
i see these pastors saying the anointing
is so strong
is like looking through a looking
through a keyhole like
looking through a straw i was like well
what is that because i'm like i like to
see the whole thing
but then it's like you know you're not
blind enough this just it's the glory
it's the anointing of god and i'm like
well what is that
and so god use me one day because i was
i was like okay well
uh use me lord use me god and so finally
he did
he says uh go up to the front because
this lady was uh up there preaching
uh up there uh praying he says go up to
the front get close to her get close to
him and i was trying but
the enemy put this man of god in front
of me telling him
he he was going around kissing people
but he had some in his mouth and some in
his mouth and i'm like
no don't kiss my skin no
and i'm like move i don't want because
i want you ain't my husband i want you
kissing on me because
people sometimes when they they like
they don't kiss your cheek they kiss
your lips
no no don't kiss me
no and kiss your lips or kiss your neck
no
move and so i kept trying to get up
there but i was like man he in a way
and god even told him to move but he
wouldn't move and i'm like and i'm

i go left he go left i go right he goes
i'm like oh my god
move

[Laughter]

and i'm trying not to be rude because
when i get rude then i get punished
so like i remember one time i you know i
pushed somebody out the way and i
you know i got kicked out of the church
because i'm like you being mean to me
move bam

i wasn't supposed to do that and so
anyway uh uh

he's like i i and i was afraid at this
point since he wouldn't he wouldn't
leave me alone i was afraid to go
go closer and so he was trying to give
something to me

through her and so another thing stop
when god tells you to move move when god
tells you to go to the front

just move these people out your way move
them out your way

don't think you ain't gonna let nobody
kiss you say move look

look bruh move and get on up to the
front where he told you to go

because i missed something i missed
something and this girl

okay well i thought i missed something
okay i just heard you didn't miss none
i thought i missed um so anyway uh this
girl

uh he was trying to reach the guy
this uh of this girl the brother of this
girl

whose friend uh was going to hurt her
and the friend did end up hurting her uh
the baby was saved but

the girl is in heaven now the woman is
in heaven

uh anyway and so that i worked with the
wife of the brother but i met the
brother when i went to go get a car
and so anyway uh god was
uh using him trying to help him

to help her and he god did speak to him
he got to him the information
that he needed to get to him and
so i felt bad for years because i was
like man
um i didn't
do i felt like i didn't do what i was
supposed to do and then when i went to i
made the mistake of going to the
laundromat
uh before i went with my mom
and my uh aunt to go get this car um
and uh the guy was looking at me and he
was looking over at my head and then he
was looking at me
um and so and he and he was and he said
like he looked at me and he said
something to the fact some i'm
summarizing like ill god anointed
you you like you disgusting
dirty foul like he wanted to just
and i was like oh you know that's the
lord but i said well oh that's just the
lord i didn't mean
and and amen and immediately i felt like
i offended god when i said
oh that's just the lord and i apologize
lord i apologize again because i felt so
bad cause i said
that's just the lord and i could feel i
felt like i felt like i
i kind of hurt him a little bit by
saying oh that's just the lord
i should have said that is the great
jehovah
in in and it was like almost as if i
took god's glory
that's what it felt like and i showed i
didn't mean it that way i truly and i
know
that he knows that i didn't mean it that
way because this was all new to me
it was absolutely new i didn't
understand this i had asked for and he
gave it to me
and i you know so

when god comes in your presence when the
lord hovers over you
and somebody's looking upon you don't
say nothing if god don't say nothing
you don't say nothing all right god
don't say nothing
you don't say nothing because i didn't
even know that he was there
i did not i kid you not i did not know
i didn't know i didn't know until that
guy had said something
and i was too ashamed of who i was
to even stand up for the lord and so
anyway
i get over to the dealership and i hear
god say not that guy
because it was a white guy he goes he's
a black man
he's black and so i'm looking for the
black man i go and he goes
that guy and so god will set you apart
from other people
he will set you apart um
and uh you must heed him
when he sets you apart heed him love him
and when
you can even ask him lord god let me
know when you're present but here's the
thing
in your whole life throughout your whole
life just trust and believe that god is
present because he's omnipresent he is
always with you
he said i'll never leave nor forsake you
what you're really asking is lord god
can other people see you will you talk
to me will you
will you manifest yourself to me will
you show me that you're there that's
what you're really asking
show me that you did so you can be on
your best behavior no
always be on god's best behavior
always uh and and what comes to mind is
second corinthians
chapter 10 verses four through six it

says uh for the weapons of our warfare
not carnal but mighty through god to the
pulling down of strongholds
and casting down imaginations and every
high thing exalts itself against the
knowledge of god
bringing every thought captive to the
obedience of christ and heaven and
readiness
to revenge disobedience with my oh with
your obedience
i always make it towards myself with
your obedience and so you always got to
be obedient unto the lord and you listen
to all your teaching radios wkkp digital
broadcasting
oh you teach your radio.com all right so
you gotta always be obedient unto the
lord
so god will give you his comfort in his
and his comfort is his
shield his his protection from all hurt
harm and no danger
uh protection from temptation god leads
decided to temptation
and delivers us from evil that's matthew
chapter six i believe it's a
verse 10. no verse 13
and uh he'll keep us from sickness and
that's verse
10 uh says uh our father which art in
heaven hallowed be thy name
thy kingdom come thy will be done there
is no sickness in heaven
or god says there is no sickness in
heaven tell them i am healed he told
that to pastor kennedy
who told gave the testimony so now i
give it like it's mine
and so that's matthew 6 9-10 and so
god loves you and he wants you blessed
he wants you saved he wants you healed
he wants in order for you to god will
heal people that don't even know
who he is that's how good he is
and for the righteous he will keep you

healed he will keep you healthy
because you know who he is the righteous
know who he is and you know not to talk
against
his healing john 3 16 and 17 for god so
loved the world says
for god so loved the world that he gave
his only begotten son
that whosoever believeth in him should
not perish but have everlasting life
for god sent not his son unto the world
to condemn the world but that the world
through him might be
saved know this
god will heal you and keep you healed
don't be speaking against it
some of y'all hear the enemy say oh i'm
gonna be blind you're gonna be blind say
you're gonna be blind no don't say that
don't say that to be blind is to be dead
to be dead is to be without god
don't do it you're like what about
physical blindness
you ain't got to be physically blind
physically blind jesus ain't blind you
god ain't blind why are you going to
choose blindness and god ain't
moses eyes did not grow them no natural
forces abated
what is for moses is the same for you
your eyes ain't your eyes what say
anytime you hear
something about going blind say my eyes
should not grow them no natural force is
abated
my eyes shall not grow damn nor natural
force is abated
i'm trying to look it up
um oh man
all right uh deuteronomy 34 and seven
there we go
okay and so look
look up keep deuteronomy 34 and 7 keep
that uh on your
on your in your wallet amen and keep on
confessing it

your eyes should not grow them no
natural force is abated
amen you can even go to isaiah 32
3 and the eyes of them
that see shall not be dim
and the ears of them that hear
amen and so you have a right to be whole
you have a right to be whole and god
made that just for you
all right hallelujah and
the ears of them that hear shall hearken
and that's to hear the lord
amen and so
uh you see with your ears and you
see here with your eyes
god is not going to take that away from
you so don't you
speak it away from you say i am healed
i am healed if you have not been saved
and you have not said the prayer of
faith this prayer faith
prayer prayer confession repeat this
after me you want to be saved
